```

The diagram illustrates a hierarchical structure of SIN ASIGNAR 01/01/0001. It starts with a root node (SIN ASIGNAR 01/01/0001) which branches into two intermediate nodes (SIN ASIGNAR 01/01/0001). Each intermediate node further branches into two leaf nodes (SIN ASIGNAR 01/01/0001). This structure represents a branching tree where each level of the hierarchy is represented by a node, and the connections show the flow from the root to the final leaf nodes.
