```

The diagram illustrates a family tree structure. At the top level, EL HILAL (06/01/1966) is the root. He has two children: ANSATA IBN HALIMA (EG) (16/09/1958) and BINT NEFISAA (06/08/1959). ANSATA IBN HALIMA (EG) has two children: NAZEER (09/08/1934) and HALIMA (01/01/1944). BINT NEFISAA has two children: NAZEER (09/08/1934) and NEFISA (29/10/1945). Each of these four children has further descendants. NAZEER (09/08/1934) under ANSATA IBN HALIMA (EG) has two children: MANSOUR (19/04/1921) and BINT SAMIHA (01/01/1925). HALIMA (01/01/1944) has two children: SHEIKH EL ARAB RAS (01/01/1933) and RAGIA RAS (23/03/1938). NAZEER (09/08/1934) under BINT NEFISAA has two children: MANSOUR (19/04/1921) and BINT SAMIHA (01/01/1925). NEFISA (29/10/1945) has two children: SIN ASIGNAR (01/01/0001) and SIN ASIGNAR (01/01/0001). This pattern continues down to the bottom level, where each SIN ASIGNAR node has two more children, all labeled SIN ASIGNAR (01/01/0001).
